SWANA's Ontario Chapter Announces 6th Canadian Waste Symposium

FOR IMMEDIATE RELEASE

Save the date!

The Ontario Chapter of the Solid Waste Association of North America (SWANA) is hosting the 6th Canadian Waste Symposium in Niagara Falls, Ontario.

Join us as we examine best practices in waste management in the wondrous setting of Niagara Falls between April 22 – 25, 2012 at the Marriott Gateway on the Falls in Niagara.

The 2012 Canadian Waste Symposium will break into streams of:

- Landfill, recycling, composting and extended producer responsibility (EPR)
- Post-consumer materials management and markets
- Alternative thermal and organic digestion technologies
- Rural and northern waste management issues
- Communication, education and marketing of waste diversion programs

Featured tours include:

- Modern Corporation landfill
- Covanta Energy-from-Waste (EFW) facility
- State-of-the-art recycling and composting facilities
- Landfill gas and utilization

Keynote speakers:

- Ecologist and author Steven Apfelbaum
- Environmental Commissioner Gord Miller

-30-
